Integra Fire & Security Ltd is a North West based company, covering the Northwest and surrounding areas.

Integra Fire & Security are an NSI accredited company, which ensures all of our installations are checked and inspected by a UKAS controlled company, we are also an insurance approved company should you require a police response to your systems.

Our aim is to provide "**total security for homes and businesses**" with a strong focus on invaluable expert customer service and after sales maintenance.

The companies' core business is the commercial sector of the market where a strong reliable security system is paramount.

Integra can design and advise on all aspects of the electronic security industry with the knowledge of providing the most up to date systems on the market.

Please feel free to contact us regarding any queries you may have, we will be all too pleased to assist you in obtaining peace of mind and security.

BSI MEMBER: Regularly updated on all changes to British standards relevant to our industry, Intruder alarms, CCTV, Fire alarms, Access control & Security screening of Employees.

TAVCOM TRAINED: All our engineers & intruder alarm specifiers have been trained to Tavcom standards to provide them with the skills required to carry out risk assessments and surveys in accordance with all new British and European Standards.

BFPSA TRAINED: Our engineers & specifiers have undertaken the BFPSA industry recognised training courses on the following modules Fire alarm design, Fire alarms maintenance & Fire alarm installation.

GROSVENOR AUTHORISED: Integra are grosvenor authorised installers of the Janus access control system with our engineers having years of experience installing the highly specialised security management system.

NSI APPROVAL :

- INTRUDER ALARMS
- CCTV
- ACCESS CONTROL

why you should choose a NSI approved company

all NSI companies:

- have been thoroughly security vetted
- are rigorously inspected twice a year to ensure they are maintaining standards in both the quality of installation and how they are run as a business
- are properly insured
- operate a 24 hour call out service (and respond within 4 hours)
- complete a thorough security survey of your property
- install reliable, up to date equipment
- issue you with a Certificate of Compliance for your alarm
- meet the relevant British and European Standards
- Insurance approved
- Police recognised
- Confirmed police response intruder alarms

Integra installs & maintains a range of electronic systems:

- Intruder Alarms
- CCTV
- Access control
- Fire Alarms
- Traffic control barriers & auto gates
- Nurse call systems
- Asset tagging
- Turnstiles
